It's time for the US Government and Microsoft to stop wasting Time and Money. The time could be better spent by parties and the Money which belongs to the Tax Payers could be better utilized by the Tax Payers.

This lawsuit has been an obvious ploy by certain disgruntled Companies to get even with Microsoft through their Clinton contacts.

Stop the waste. We've wasted enough Tax Payer money prosecuting (persecuting) Microsoft. Microsoft in turn has wasted enough of it's revenues - which in turn - has been paid for by increased sales prices to the consumer, the Tax Payer.
